

LIVING STRONG!

Jennifer Keitt

CEO of The Keitt Institute

We all have amazing "superpowers" within us that once identified and released can take our lives to the next level! In this fun and informative session, Chief Empowerment Officer Jennifer Keitt, CEO of The Keitt Institute, helps you identify your signature strengths and shares practical ways to use them every day to live strong!

PLEASE COMPLETE

the VIA Character Strengths Assessment prior to the session

<http://thekeittinstitute.pro.viasurvey.org>

Have the assessment results to the Living Strong session ready on March 17th. For questions, please email knorbert@empowerhernetwork.org.

SPECIAL GUEST

As a 35-year media veteran, Jennifer Keitt has been inspiring and encouraging audiences across the country to live their very best lives. In 2014, she molded that passion into the Keitt Institute, founded with her eldest daughter. Jennifer is passionate about building strong leaders and cultivating the next generation of professionals. Jennifer is currently pursuing a Doctorate in Educational Psychology. She is also a certified Human Behavioral Consultant with a Masters Degree in Practical Theology. Jennifer lives in Atlanta with her husband of 34 years, Tony. She has 4 adult children living across the country.
